DURABLE POWER OF ATTORNEY FOR HEALTH CARE

I, ________________________________(name), living in the city of_______________________________ in the county of_____________________, in the state of Washington, designate____________________________(name) as my attorney in fact, to act for me in making health care decisions if I become incapacitated. I hereby revoke any and all health care powers of attorney previously granted by me.

1. **Alternate Attorney in Fact.** If for any reason ______________________________________ (name) fails to ace, or is not able to act, I designate___________________________ (name), then____ (name) as alternate attorneys in fact, to serve in the order named. An attorney in fact may resign by delivering written notice to that effect, in recordable form, to an alternate, successor, or co-attorney in fact. In this Durable Power of Attorney for Health Care, the "attorney in fact" means the then acting attorney in fact.
2. **Power to Make Health Care Decisions.** My attorney in fact shall have the right to make decisions, and to give informed consent on my behalf, as to my health care, to the extent permitted by law. This authority shall include, but not be limited to, the right to consent to the withholding or withdrawal of life-sustaining treatment which would only prolong artificially the moment of my death and prevent me from dying naturally, in those circumstances in which a physician(s) has/have determined (a) that I am in a permanent unconscious condition, meaning an incurable and irreversible condition in which I am medically assessed within reasonable medical judgment as having no reasonable probability of recovery from an irreversible coma or a persistent vegetative state, or (b) that I have a terminal condition, meaning an incurable and irreversible condition caused, by injury, disease or illness, that would within reasonable medical judgment cause death within a reasonable period of time in accordance with accepted medical standards. I also authorize my attorney in fact to make decisions regarding the artificial administration of food and fluids, consistent with any Health Care Directive (living will) I have executed.
3. **Effectiveness.** This Durable Power of Attorney for Health Care shall become effective upon my incapacity. Incapacity shall include the inability to make health care decisions effectively for reasons such as mental illness, mental deficiency, incompetency, physical illness or disability, advanced age, chronic use of drugs or chronic intoxication. Incapacity may be determined by (a) a court order or (b) a written qualified attending physician.

Signature of Declarer ____

NOTE: Washington state law does not require a Durable Power of Attorney for Health Care be witnessed or notarized. However, it is recommended that there always be two witnesses and that these witnesses be persons qualified to witness the signing of a Health Care Directive. Such persons are individuals who are not related to the declarer by blood or marriage and who will not be entitled, under any existing will, to any portion of the estate of the declarer. Witnessing and/or notarization is also important as evidence to help confirm the declarer's competence and help assure that the declarer's wishes are carried out should family members of others oppose on the grounds the declarer did not understand what he/she was doing when signing the document.
